

How do I get access as a new user/extra access? (How to Guide 3)

To gain access as a new user you must fill out an Open Exeter Application Form. This can be obtained from the Open Exeter home page by clicking Links & Downloads.

Alternatively your Primary Contact can give you access, for further details a 'How-to-Guide' on Organisation Maintenance is available for Primary Contacts.

- From this page choose the 2nd link as below

NHS Open Exeter Links & Downloads

Web Site Addresses

The Open Exeter application can be accessed via <https://www.openexeter.nhs.uk/nhsia/index.jsp>
